

# CADDER PRIMARY SCHOOL

## Parent Information

### School Values

Our school values are: Respect, Kindness, Team Work and Ambition. We encourage our school community to follow these values at all times.

### Healthy Snack

We encourage children to bring a healthy snack to school. This could be fruit, crackers, cheese cubes, pop corn or light crisps. We ask children not to come to school with fizzy drinks, sweets or chocolate. This means the children have the right kind of energy to be ready to learn.

### Our School Day

In P1 we have a soft start and soft end to the day. This means your child can have a more relaxed drop off and pick up if required and a time to play with their friends. Children are dropped off and picked up from the P1 playground beside their classrooms.

Drop off: 9-9.15

Pick up: 2.45-3pm

Interval: 10.30-10.45

Lunch: 12- 1pm

We have no bells in school. This ensures a calm environment for all our learners.

### P1 Staff

Our P1 teacher next year will be Miss Beeton. We also have a Child Development Officer, Ms Colgan and a Support for Learning Worker, Ms Laurie. Mrs McDonald is the Principal Teacher who supports Primary 1 and their transition to school.

Miss Beeton

Mrs McDonald

Ms Colgan

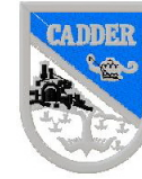

Ms Laurie

## Parent Information

### A Play Based Approach to

At Cadder Primary School, we promote a play based approach to teaching and learning which provides opportunities to learn through play and first hand experiences. By engaging in regular opportunities for play, children develop problem-solving skills, use their imagination and creativity, and develop language and observation skills, as well as memory and concentration. These experiences help children to develop confidence in themselves as learners and develop the necessary skills to access the curriculum.

### Pupil Comments

*"I like learning, I like doing outdoor stuff and I like my teachers."*

*"I like to play outside, running and playing with the toys."*

*"I like learning new things."*

### Checklist

- School uniform with name labels on all items
- Indoor shoes with name
- Name on outdoor shoes
- Water bottle with name on
- Healthy tuck
- Shorts for P.E.
- Change of clothes (in case of getting wet outside, during art or accidents)
- Optional - wellies for school

We would suggest that all shoes are Velcro or slip on to enable children to do these independently.
