Consultation

ND 4Girls met with M McKenna and Jim Wilson last week for feedback on the recent consultation.

Taking all three options separately;

39.9% for option 1

13.7% for option 2

45.7% for option 3

Taking the first two options together, the Parent Council believe this is clear support for single sex.

GCC believe that the vote is too close to adopt a position.

Education Scotland report has not been published yet and will not be put into the public domain.

Result appears to demonstrate that this is very much a local issue.

GCC meeting with Archbishop to discuss consultation result. It will be taken to Education Policy Committee. They will then go to City Administration Committee in November.

Parent Council to collate all findings and share with the Parent Forum.

Next steps for the Parent Council. Potentially write to Maureen McKenna, looking for definitive timings - Kath to draft a letter.

Possibly draft a letter to City Administration Committee prior to their meeting and voting.

Next Meeting Dates:

Parent Council AGM - Thursday 12 September, 6.30 p.m.

Next meeting: Tuesday 24 September, 5.30 p.m.
