### Consultation on the Entry Criteria for Notre Dame High School

#### Response (Abbreviated)

**This consultation is to propose options in relation to the entrance criteria for Notre Dame High School, and potentially, as a consequence of this, alter catchment areas of affected schools within the Notre Dame, John Paul, St Roch's and St Thomas Aquinas Learning Communities.**

There are three options proposed as part of this consultation –

- Option 1**      Leave the Notre Dame High entry criteria as it is, that is, no change.
- Option 2**      Retain the all girls' status but change the associated primary school configuration; and thereby alter the catchment area.
- Option 3**      Change to be a co-educational denominational secondary school and alter the catchment area.

Before completing the survey, please refer to the full consultation document online at [www.glasgow.gov.uk/schoolconsultations](http://www.glasgow.gov.uk/schoolconsultations) for full details of the three options offered.

Due to the flow of the questions in the online survey, it is not possible to include them all in a hard copy version. Therefore, this is an abbreviated response form. If you wish to leave a more detailed response you must do so online at <https://www.glasgow.gov.uk/index.aspx?articleid=17886>.

The public consultation period will end on **Sunday 26 May 2019**, therefore, all completed hard copy responses should be received no later than **Thursday 23 May 2019**. Online submissions can still be made until 26 May 2019.
