Primary 5 2026-2027

Showbie

Children will use Showbie in class and at home to access resources and share learning.

QR codes for logging in at home have been issued in homework folders along with guidance.

Portfolios

Staff/pupils will share one piece of work a fortnight to children's portfolios. Portfolios can be viewed on pupil or parent accounts.

Parent Accounts

Codes and information for joining will be sent home this week for parents. You will only be able to view your child's portfolio; this account will not have access to their class.

Magma Maths

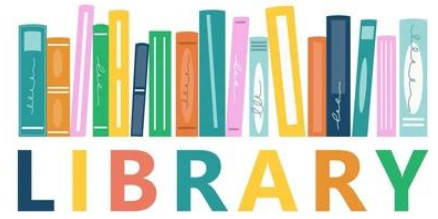

Magma Maths is new to Glasgow and we will be using it in class and at home. QR codes have been issued in homework folders along with guidance for logging in.

Magma is very user friendly; questions can be translated into many different languages.

It is important to note that for most questions children must show their working before it will allow them to input their answer. This encourages visible thinking.

Library

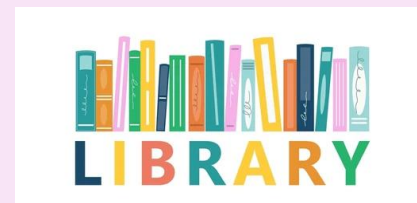

All classes will visit the library weekly or fortnightly.

To encourage reading for enjoyment, children will borrow a book that they can bring home. Please support your child by reading with them. We would appreciate if you could encourage them to take care of their book and return it to school on their library day.

We are not asking for library book donations at this time. Individual teachers may be looking for book donations for their class libraries. We are grateful for the many books we have received in previous years.

Swimming

November-January

Primary 5 will start swimming in November. Exact dates will be communicated through the office nearer the time.

Class will travel by coach to Maryhill Swimming Pool. The pool is not deep.

Children should come to school in PE kit on swimming days.

Equipment list will be sent to you but it includes swimming costume (no bikinis please), towel, swimming cap and goggles.

In partnership with Scottish opera, starting year 3 of the project.

Primary 5 and Primary 6

Rehearsals twice a week start in January.
Show will be in May.

Other

We encourage children to change into indoor shoes, please send in a pair of shoes that can be kept in school if you haven't already.

We are keen to get children outside as much as possible so children should be wearing a jacket (preferably waterproof) every day.

Please ensure items are named, this makes it much easier to return items if they are lost.
