

KINDNESS

## Literacy and English

- Spelling - primarily using the Read Write Spell programme.
- Writing - Different styles of poetry and procedural writing.
- Talking and Listening - Developing our debating skills and sharing our personal project with our class.
- Reading - strategies developed through the short film 'The Ball' and unseen texts from our Literacy Box resource.

## Numeracy and Mathematics

- Number Talks - division strategies.
- Multiplication Tables - daily practice.
- Multiplication & Division - multiplying and dividing larger numbers by 2-digit numbers.
- Fractions - finding equivalents, quantities and simplifying of fractions.
- Perimeter - measuring and calculating the perimeter of both regular & irregular shapes.
- Area - using formula to calculate the area of right-angled triangles.

AIM HIGH

# Antonine Primary Curriculum News Class: P7a Term 4

RESPECT

## Health and Wellbeing (including P.E days)

- P.E. - Wednesday is outdoors and Friday, as usual is indoors. Children should bring appropriate PE kit to school on these days.
- Substance misuse - exploring the law as it applies to alcohol, drug and tobacco consumption. Investigating the impact of misuse on us as individuals and the role of peers and the media and how they can influence our decisions.

PUPIL VOICE

## Interdisciplinary Learning

P7a will be engaged in the topic of 'Australia' where they will learn about the people, culture, landscape and wildlife of this fascinating country and make comparisons with their own country of Scotland.

**Other Information:** Homework this term is a personal project on a country of their choice. This will be done on the Book Creator app with some time allocated in class to provide children with any required support.
