

What's happening this week in Antonine Primary?

We continue to work hard to improve attendance. If your child is feeling well, they should be at school. We want all our children to achieve their full potential so let's continue to work together to make sure that every school day counts. Our whole school attendance rate is 89.5%. Our target is to increase this to 90.3% by the end of June 2026.

Our Value focus for the month of April is:

Assembly Certificate this week is

Monday 20th April 2026
