

Antonine Primary

Other Curricular Areas

Class: P2b Session: 2025-26

Mrs Rae will teach **P2b** every Wednesday morning from 9.00 -11.15 am.
Across the year she will cover the following curricular areas: Science, Expressive Arts and Modern Languages. Please see below for overview of Learning and Teaching Blocks:

Term 1 (August to October)

Science we will be learning about: The Water Cycle. Using more complex vocabulary to describe changes of states of water, for example, condensation and evaporation. Participate in experiments to discover evaporation, condensation and precipitation.

Music -we will be focusing on: Singing, using our voices and Playing Instruments

Modern Languages: French - we will be covering Greetings and The Weather

Term 2 (October to December)

Science In Term 2 we will be learning about Forces. We will predict and investigate how a force can make an object change speed, direction and shape.

Drama- In Drama we will be learning about characters, we will be developing roleplay skills using our faces, bodies and voices,

French – In French we will be working on recognising and counting numbers to 20.

Term 3 (January to March)

Science We will be learning about the senses and discussing their reliability and limitations in responding to the environment.

Art– In art children will have opportunities to explore a range of media and technologies to create images and objects.

French – Children will listen actively to the sounds of a modern language whilst learning about days of the week and months of the year.

Term 4 (April to June)
