

Antonine Primary

Other Curricular Areas

Class: P3 Session: 2025-26

Mrs Rae will teach P3 every **Wednesday afternoon 1.00 -3.00 pm.**

Across the year she will cover the following curricular areas: Science, Expressive Arts and Modern Languages. Please see below for overview of Learning and Teaching Blocks:

Term 1 (August to October)

Science: We will be learning about Space, focussing on Earth, the sun, the phases of the moon and the planets,

Music: We will be using the Charanga music scheme, learning about pitch and rhythm as we learn a variety of songs.

French: In French we will develop our use of greetings and develop our knowledge of colours and the weather.

Term 2 (October to December)

Science: In Science we will be learning about Food Chains. We will learn to appreciate how animals and plants depend on each other for food

French: In French we will be learning about food, fruit and vegetables and discussing what foods we like and are good for us.

Drama: In Drama we will be using Glasgow Create materials to develop our knowledge about character and role play.

Term 3 (January to March)

Science: In science we will be exploring forces exerted by magnets on other magnets and magnetic materials.

French: children will listen actively to the sounds of a modern language whilst learning about Festivals and Cultural Foods.

Art and Design: children will have opportunities to explore a range of media and technologies to create images and objects.

Term 4 (April to June)

Science:

Spanish:

Music:
