

Antonine Primary

Other Curricular Areas

Class: P4 Session: 2025-26

Mrs Rae will teach P4 every Tuesday afternoon 1.00 -3.00 pm
Across the year she will cover the following curricular areas: Science, Expressive Arts and Modern Languages. Please see below for overview of Learning and Teaching Blocks:

Term 1 (August to October)

Science: We will be learning about Space, focussing on Earth, the sun, the phases of the moon and the planets,

Music: We will be using the Charanga music scheme, learning about pitch and rhythm as we learn a variety of songs.

French: In French we will develop our use of greetings and develop our knowledge of colours and the weather.

Term 2 (October to December)

Science – In Science we will be learning about bones, skeletons and body systems and what is needed to keep them healthy.

French – In French we will be learning about clothes and uniforms as well as revisiting colours and numbers.

Drama – In Drama we will be using the Glasgow Create resources to further develop our work on character and our role play skills.

Term 3 (January to March)

Science –We will be learning about different types of energy around us and can show their importance to everyday life and survival.

French –Children will listen actively to the sounds of a modern language whilst learning about homes and rooms in the house.

Art and Design –Children will have the opportunity to explore a range of media and technologies to create images and objects.

Term 4 (April to June)

Science –

Spanish –

Music:
