

KINDNESS

## Literacy and English

**Writing:** We will be working on procedural writing.

**Reading:** We will continue to develop reading skills and strategies through comprehension, and guided reading in groups.

**Spelling:** We will be continuing to develop spelling strategies through the Read Write Inc. Spelling programme.

**Listening and Talking:** We will be working on a Scots poem for the Scottish Poetry Competition.

AIM HIGH

## Numeracy and Mathematics

Numeracy:

- Place value of 4 and 5 digit numbers, and an introduction to decimals and tenths.
- Continuing to sequence and order larger numbers
- Revising addition and subtraction strategies.
- Revising and utilising times table facts
- Introducing pupils to word problems using a variety of number skills

Maths

- Continuing to develop strategies for solving money problems
- Revising area and perimeter
- Investigating number systems throughout history

## Antonine Primary Curriculum News

Class: P5/4 Term 3 Session: 2025/26

RESPECT

## Health and Wellbeing (including P.E days)

Our P.E days have changed to a Wednesday and Thursday. Pupils will work with 'Soccer 4' focussing on football skills, and will be working on rugby skills on Thursdays with students from Strathclyde University. Please make sure your child brings appropriate kit for the weather and leaves any jewellery at home on P.E days.

We will begin the RSHP programme this term, focussing on staying safe online, friendships and stereotypes.

## Interdisciplinary Learning

Leading up to the February break, we will be learning all about climate justice and how to take action against climate change. We will then look into the Caribbean and focus on the Geography of the islands, climate, weather and natural disasters.

### Other Information:

This term we will be working with Totnosh cooking every Monday to develop our cooking skills.

PUPIL VOICE

A paper copy of homework will be issued every Monday that should be returned on Friday.
