

## Antonine Primary

### Other Curricular Areas

Class: P7 Session: 2025/26

Ms Jamieson will teach **P7** every **Tuesday afternoon from 1.00-3.00pm**  
Across the year she will cover the following curricular areas: Science, French, Spanish, Art, Drama and Music.  
Please see below for overview of Learning and Teaching Blocks:

#### Term 2 (October to December)

**Science – Forensics.** P7 will learn about the work of forensic scientists and explore techniques such as chromatography and analysing fingerprints.

**French- Phonics.** We will learn how to read and say French sounds to help us sound out new vocabulary.

**Drama – Exploring the home front during World War II** and what life was like for families.

#### Term 3 (January to March)

**Science and Engineering – Forces.** P7 will collaborate in investigations and explore the practical uses of forces.

**French –** We will be learning how to name countries and nationalities in French. Through our art topic, we will also learn colours and how to write biographies of artists in French.

**Art –** P7 will explore art through a 'French-speaking Artists' project. We will respond to artists' work, learn about their French-speaking countries and create paintings, prints and collages inspired by theirs.

#### Term 4 (April to June)
