

What's happening this week in Antonine Primary?

We continue to work hard to improve attendance. If your child is feeling well, they should be at school. We want all our children to achieve their full potential so let's continue to work together to make sure that every school day counts. Last week our whole school attendance rate was 91.19%. Let's continue this positive upward trend.

Our Value focus for the month of March is:

Our Assembly certificate this week will be:
