

Antonine Primary
Other Curricular Areas
Class: P1a Session: 2025/26

Mrs Peffers will teach **P1a** every **Monday afternoon**.

Across the year she will cover the following curricular areas: Expressive Arts (Music, Art, Drama & Dance), Science and French.

Please see below for overview of Learning and Teaching Blocks:

Term 1 (August to October)

Music – we will be learning about music beats and rhythm, and we will explore different styles of music. Every alternate Wednesdays we will work with Mrs Stevenson, the Youth Music Initiative Teacher.

Art – we will be exploring lines and colour within art.

Science – we will be investigating different types of energy.

Term 2 (October to December)

Drama: we will be focusing on: Communicating ideas and feelings through expression. We will also take on a dramatic role through our Christmas performance.

Music – we will be learning about different tempo's and how to sing as a group. Every alternate Wednesday we will work with Mrs Stevenson, the Youth Music Initiative Teacher.

Science – we will be investigating living and non-living things.

Term 3 (January to March)

Music – we will continue to learn about music styles, beats and rhythm. Every alternate Wednesdays we will work with Mrs Stevenson, the Youth Music Initiative Teacher.

Art – we will be exploring the work of famous artists and creating similar styles of artwork using a variety of materials.

Science – we will be investigating different types of forces.

French – we will be learning numbers 1-10 in French.

Term 4 (April to June)

Dance – we will be exploring different types of dance movements from around the World.

French – we will be learning different greetings in French which are used in everyday language and continuing numbers 1-10.

Literacy – we will be developing our confidence in constructing a written sentence.

Term 4 (April to June)
