

KINDNESS

Literacy and English

- Spelling - spelling patterns and words from the school spelling programme.
- Writing - develop our recount writing skills and write a creative short story linked to the Talk for Writing programme.
- Talking and Listening - Developing our debating skills.
- Reading strategies developed through Literacy Box and Nelson Comprehension resources.

Numeracy and Mathematics

- Number Talks - division strategies.
- Consolidation of multiplication tables.
- Understanding the order of number operations.
- Solving word problems.
- Decimal fraction equivalents.
- Calculating profit and loss.
- Calculate time intervals.
- Converting units of measure in length.
- Calculate the volume of composite shapes.
- Use simple formula with number sequences.
- Identify and draw lines of symmetry.

AIM HIGH

Antonine Primary Curriculum News Class: P7 Term 4

RESPECT

Health and Wellbeing (including P.E days)

- P.E. - Wednesday, if weather permits (outdoor games). Thursday (athletics). Children should bring appropriate PE kit to school on these days.
- Our RSHP lessons will focus on menstruation and how adults plan and prevent a pregnancy.
- We will also be exploring the subject of nutrition.
- The children will be helping out at their final primary school sports day.

Interdisciplinary Learning

P7 will be engaged in the topic of 'Africa' where they will learn about the people, culture, landscape and wildlife of this fascinating country and make comparisons with their own country of Scotland.

Other Information: I would like to take this opportunity to express my heartfelt thanks for all your assistance and support over the last two years with your child's education and I wish each and every Primary 7 child success as they continue their learning journey. Good luck to you all.
