

What's happening this week in Antonine Primary?

We continue to work hard to improve attendance. If your child is feeling well, they should be at school. We want all our children to achieve their full potential so let's continue to work together to make sure that every school day counts. Our whole school attendance rate last week was 91%. Lets continue this positive trend.

Our Value focus for the month of April is:

Assembly Certificate this week is
