

Pupil Friendly School Improvement Plan

Session: 2026-27

Here are the main things we are working on this year to make our school even better:

Progress: Learning and Teaching and Raising Attainment

Play and Enquiry Based Learning to help us develop our collaboration, curiosity and creativity skills.

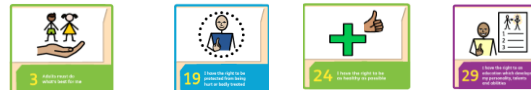

Writing: 'Write on Track' across the whole school to help us write better sentences.

Numeracy: New planning and assessments to help improve our numeracy and maths learning.

Wellbeing

Personalised Support: Helping groups of pupils by providing supports that allow them to make better progress with their wellbeing and learning.

Attendance: Every School Day Counts

Coming to school as often as we can to help us learn, make friends and achieve our potential.

Inclusion

Children's Rights

Journey from Silver to Gold Rights
Respecting School: Increasing our knowledge of Rights, supporting us to become more Effective Contributors and Responsible Citizens.

Leader in Me

Introduction of 7 Habits to help everyone develop their Leadership Skills
