## August 2026 Newsletter

Dear Parents/Carers,

I am delighted to welcome back all our pupils and staff team after our summer break. I hope you all had a fantastic time and managed to enjoy some of the good weather we had! Our school is buzzing with positive energy and excitement for the new session ahead. We have so many exciting opportunities for our children to be involved in this year, we can't wait to share with you. It was lovely to greet all our new Primary 1 pupils and to see them and all our other pupils in their smart school uniforms.

### Staffing

Our current staffing is as follows:

**Primary 1a – Tahira Couborough & Fiona Marquis**

**Primary 1b – Debbie Logan**

**Primary 2/1 – Sarah MacFie & Laura McIlwaine**

**Primary 2 – Rosie Eastwood**

**Primary 3/2 – Shona Mackie & Hayley Hughes**

**Primary 3 – Maya Candido**

**Primary 4/3 – Christine McCarroll**

**Primary 4 – Rachel Lithgow**

**Primary 5/4 – Christine Bradai**

**Primary 6 – Ian Glendinning**

**Primary 7a – Louise Thompson**

**Primary 7b – Chloe Kilkenny**

**Nurture – Lauren Currie**

**GCC EAL – Eirinn Proctor**

**Baby Strings – Rachel Wilson**

### New Staffing

I would like to say a very warm welcome to our new members of teaching staff listed above and also to our new support for learning worker, Gillian McIntyre. I am sure you will all join us in welcoming these new members to the team!

### Music at Battlefield!

We are delighted to have Rachel Wilson back in school this session and to continue to use our Pupil Equity Funding to deliver music sessions to P2, 3 & 4 classes this year as part of the Baby Strings programme. We also have a P5 lunchtime class for Baby Strings on Thursdays. Our P5-7 classes will continue to learn play the ukulele as Mrs Draffen will continue to cover music across the school, as well as keeping up the French. P1 classes will again receive tuition from the Youth Music Initiative who will collaborate with our tutor to gear her sessions towards the next stage in P2 of playing our instruments. Our vision is that all children will have learned how to read music and play an instrument by the time they leave us in Primary 7. We will have three concerts this session for parents & carers to come in and hear us perform, so get these dates in the diary. Our Winter Concert will take place on 3<sup>rd</sup> December at 9:30am. Our Spring Concert will be on 1<sup>st</sup> April with our Summer Concert finally taking place on the 10<sup>th</sup> June 2027 at 9:30am. We would be delighted if you could join us at one of these.

### STEM Developments

Mr Glendinning is continuing to develop our Science & Technology in the school, and this session plans for our STEM Ambassadors to continue to teach the school the art of coding with our Lego Spike sets. Our STEM Ambassadors in P7 and this year in P6 will be demonstrating their skills across the school and we can't wait to see what they achieve! Mr Glendinning is also busy planning a STEM week in the first week in June 27 and is looking for parent & carers help again to provide a variety of activities & talks to get our children enthused about STEM topics. Please use the school email address if you can help to support him with this.

### School Photographs

We have a professional photographer coming into school on Thursday 3<sup>rd</sup> September to take school photos of our P1-6 children. As our P7 children are away at the residential that week they will return later on in the year to get our P7 photographs (13<sup>th</sup> November).

### Annual Flu Vaccinations

The date for our school Flu vaccinations is the 11<sup>th</sup> December. Children will be issued with permission letters before this date so please ensure you return these to the school as soon as possible.

### P1 Parentpay

The office staff are currently working on assigning Parentpay links to all our P1 pupils. Please keep an eye on your emails to ensure you don't miss this link.

### We Need Your Help

We are appealing to all our parents and carers for support at drop off and pick up times. We urge parents and carers not to be in the playground at drop off and in particular at pick up at 3pm as children and teachers are finding it very difficult to see who is collecting them. We realise everyone wants to use the trim trail after school but if families gather there at 3pm we can't see who has been picked up and who has not so would ask that you leave the area until you can see all teachers have dismissed their classes safely, before allowing children to play. If all parents and carers follow this then it should make collecting children much easier, thank you.

### Child Protection

If you have any concerns about the safety or welfare of any our pupils please report these to our Child Protection Co-ordinators. **Mrs Stacy Wilson (Head Teacher)** is the first point of contact for Child Protection in Battlefield. In her absence our **Deputy Child Protection Co-ordinators are Mrs Laura Imrie, Mrs Natalie McKay & Ms Louise Flanagan**. Mrs Wilson is also our **Care Experienced Co-ordinator** and is responsible for monitoring any children in the school who are looked after or in foster care.

### Nut Allergies

We have a number of children in our school who have severe nut allergies. Please help to keep all pupils safe and **DO NOT SEND** snacks or foods into school containing nuts. We have had a number of questions already about which products contain nuts. Can I ask that if you have any doubt at all that you send in an alternative as we must ensure that our vulnerable children are not put at risk. Thank you!

### **Allergy Aware School**

### Health Promoting School

We are proud to be a Health Promoting School and are committed to supporting the health and wellbeing of all our pupils. As part of this approach, we ask children to bring a bottle filled with water to school each day. The dinner school has reduced the use of single use plastics so no longer give out cups. Water bottles must be taken home at the end of each school day and be refilled. We also encourage healthy choices at snack and lunchtime, with water being the preferred drink and nutritious foods being provided for snacks and packed lunches. We thank you for your continued support in helping us promote healthy choices.'

### Medication

Glasgow City Council policy states that no medication (prescribed or non-prescribed) can be either self-administered or given voluntarily to your child by school staff without your prior written agreement. The relevant forms can be obtained from the school office. Please ensure you fill these in.

### Physical Education

Glasgow City Council guidelines state that ***"It is important that pupils come prepared to learn and for PE this requires appropriate clothing. All jewellery should be removed."*** If your child has their ears pierced please either remove their earrings on the days they have PE (or a sporting club) or ensure that they are able to do this for themselves. Staff are not able to assist with the removal and insertion of earrings. Unfortunately, taping over earrings does not provide the same degree of protection as removal. Earrings worn to school should be small and not dangly as these can cause injury in the playground when children are running around and playing games.

If you are unsure about which days your child has PE, please check with us as we'll be very happy to let you know.

Can you also ensure that your child has shoes appropriate for PE on their PE days. Children should wear either black plimsols or trainers so they are able to take part properly. Boots and school shoes, brogues etc. are not suitable for physical activity in the hall.

### Absence Reporting

When reporting your child as absent please make sure that you contact the absence reporting team. The contact details for the absence team are: 0141 287 0039 or <https://www.glasgow.gov.uk/pupilabsence> Once you have set up your Parent Portal account absences can also be reported through that.

**PLEASE DO NOT CONTACT THE HEADTEACHER TO REPORT ABSENCES.** You should only notify the school in writing (email or note) if you intend to remove your child from school for holidays, etc. You will be asked to come into the office and fill out a slip which details the dates of any holiday. If you need help getting your child to school please contact Mrs Wilson who is able to support with this

### **Visiting the School Building**

Just a reminder that if you need to visit the school for any reason you should buzz the main entrance buzzer and then report directly to the school office. Children have again been reminded not to open doors to anyone outside so if this does occur, please report this to office staff. No parents or carers should be moving around the building unless they have been registered with the office and issued with a visitors' badge. If you are issued with a badge, please ensure you return it to the office before you leave. Please support us in following these procedures.

### **Outdoor Learning**

Here at Battlefield we encourage as much learning outdoors as we can. Therefore, your children may be outside on cold or wet days. Please ensure you send your child to school dressed for all weather conditions. This will help keep them warm and dry as they play and learn. This session we are delighted to include Loose Parts Play into the class timetables as our partners from 'Sewing Seeds' have created an amazing den building and play area for all the children to use both during class time and at breaks.

### **School Uniform**

Our school uniform consists of a white shirt, school tie (navy and yellow), navy blue school polo shirt, navy blue school jumper/cardigan, grey trousers or grey skirt/pinafore or optional school tartan skirt and black school shoes. On PE days children can come to school wearing dark coloured jogging bottoms, their white t-shirt or polo shirt and their Battlefield sweatshirt or cardigan. This means there is no requirement for a full change. Children simply take their sweatshirt off and are ready to go. It also means that children are always wearing their school uniform.

**Can I please remind you to ensure that your child's name is on their clothing as children very often forget where they have put things? If you do not have a name on their items of clothing we may never be able to find them! Please help us to help you to keep your child's possessions safe.**

We are really proud of our school uniform here at Battlefield and would like to continue to encourage you to support your child in wearing their uniform to school, rather than branded sportswear, hoodies etc. A lot of these types of items are incredibly expensive and if lost can cause upset. We continue to have lots of items of uniform for recycling and know that our families are in support of sustainability so uniform swap & drop is the perfect way to achieve this. If you would like to support our values of being 'Eco Friendly' and recycle our donated items, please get in touch with Ms Flanagan on [LFlanagan@battlefield-pri.glasgow.sch.uk](mailto:LFlanagan@battlefield-pri.glasgow.sch.uk) and Mrs Hamill will look out a uniform package for your child.

Make up is not permitted in school and jewellery and earrings need to be small so they are not getting caught on things when children are playing.

### **Car Free Zone**

As you know the area around the school is designated as a 'Car Free Zone' but there still seems to be confusion around what this means for some parents and carers. The zones are designed to prohibit cars and other vehicles from driving up to school gates between 8.30am and 9.15am and then 2.30pm and 3.15pm each week day during term time. Blue badge drivers are exempt and residents within the zones are issued with permits that allow them to park without penalty. Any other driver who enters the zone during the specified times can be fined £50 by police. It is essential that all the children have a safe journey between home and school. A number of parents have expressed concern about some potentially dangerous driving around the school. It is also important that the school is a good neighbour in relation to the people who live around and about us. While it is not possible for everyone, walking or cycling can provide a healthy and environmentally friendly alternative to bringing the car to school.

*Thank you for all your support, if you have any questions please get in touch with the school office. Stacy Wilson*
