

November 2021

Dear Parent/Guardian

MASTERCLASS PROGRAMME 2021/22
November/December 2021

A programme of Masterclasses will be offered from Monday 8th November 2021. These classes will mostly run end on to the school day.

Monday/Wednesday/Friday – 3.10-4.10 pm
Tuesday/Thursday – 4.00-5.00 pm

Some classes may also be offered early morning before school starts (7.45-8.45 am) or on Saturday morning (specific dates and times indicated over).

The Masterclasses on offer until the end of this term are printed on the reverse of this letter.

Pupils will be registered and parents/carers of those in attendance will subsequently receive a text confirming this.

We believe that attending Masterclasses will help your child to be successful at school and hope that you will support us by encouraging them to take part.

Please note that places in Masterclasses are limited and will be filled on a first come first served basis. Every effort will be made to run all of the classes in the programme, but if a class is cancelled your child will be made aware of this in the course of the school day.

Yours faithfully

Barry Mochan
Head Teacher
