October 2023

Dear Parent/Guardian

SUPPORTED STUDY PROGRAMME 2023/24
October/November/December 2023

A programme of supported study for S4/5/6 pupils will be offered from Monday 9th October 2023 unless a subject on the timetable indicates otherwise.

A timetable of support classes is attached. This information is also available on our school website.

These classes will mostly run end on to the school day:

Monday/Wednesday/Friday – 3.15-4.15 pm

Tuesday/Thursday – 4.00-5.00 pm

Some classes may also be offered early morning before school starts (7.45-8.45 am) or at lunchtime (specific dates and times indicated on the timetable).

Pupils will be registered and parents/carers of those in attendance will subsequently receive a text confirming this.

We believe that attending will help your child to be successful at school and hope that you will support us by encouraging them to take part. This is a free service.

Please note that places in Supported Study are limited and will be filled on a first come first served basis. Every effort will be made to run all of the classes in the programme, but if a class is cancelled your child will be made aware of this in the course of the school day.

Yours sincerely,

Susan Galloway
