Applying to University: A Parent/Carer Guide

Between Oct - Mar | 18-18:30 | Online

Join our GCU Connect info series for parents/carers of university-bound pupils. Get key insights to confidently support your child's university application journey.

Session 1: Supporting your child through the UCAS process. 11 Oct | 18-18:30pm

This session provides parents/carers an overview of the UCAS process for their child. We'll cover key dates, application requirements, crafting a strong personal statement, and available support.

Session 2: Application submitted, what next? 7 Feb | 18-18:30pm

In this session, we'll cover the period after submitting a UCAS application. Key dates for responses from universities and applicants, types of university responses, and support for unexpected outcomes will be discussed.

Session 3: What financial support is available? 13 Mar | 18-18:30pm

This session covers university funding sources, including SAAS, scholarships, bursaries, and other financial support for students.
