### **Easter Supported Study**

Dear Parent/Carer,

We are pleased to be able to offer supported study sessions again this year throughout the Spring Break. Supported study is a valuable experience for pupils who are preparing for SQA examinations. During these sessions, pupils will have the following opportunities:

- To be involved in structured revision lessons focussing on exam preparation.
- To revise specific areas of the courses, concentrating on individual learning needs.
- To work in small groups with a subject specialist teacher on hand to offer advice.
- To gain advice on revision strategies for further home study.

Please find attached the Supported Study timetable and encourage your child to attend the sessions that are relevant to them. Please complete the tear off slip below and return to Miss Notman in The Hub, by **Friday 22<sup>nd</sup> March**, as an acknowledgement that you have received the letter and that your child intends to come along or complete the form online using the QR code on the back of this letter. If you have any enquiries, please contact me at the school.

Yours faithfully

A Notman  
PT Raising Attainment
