Study for Success Evening S3-6

Dear Parent / Guardian,

At Bellahouston Academy we like to work closely with both pupils and their parents/carers to ensure all pupils reach their full potential. We are holding a Study for Success Evening on **Tuesday 29th October at 6.30pm**, the aim of which is to develop study skills through a series of workshops to support and help young people as they prepare for their exams.

Good study skills can be learned which means they can be practised and improved upon in order for pupils to learn more effectively, decrease stress levels and enhance performance in assessments.

In order to best support pupils through this important process we would like to invite you and our pupils to attend the Study for Success Evening on **Tuesday 29th October at 6.30pm**.

Please register for the event by Monday 28th October using QR Code below.

We hope you can make it along to this evening and look forward to seeing you.

Yours sincerely,

Miss A Notman
Principal Teacher Raising Attainment & Equity
