Dear Parent/Carer

Parent Information and Workshop Event: Pathways

We are very pleased to invite you to our next Parent Information and Workshop Event, which is *Pathways*. The event is aimed at parents/carers of young people who will soon be making options choices (S2 and S4-S5).

The aim of the evening is to ensure that parents/carers understand how our options processes work, and know which subject pathways are available to young people at Bellahouston Academy.

Our school values of Belonging and Respect are very significant. We want to work in partnership with our parents/carers (the people who know their children best) to ensure that our young people feel supported when making their options choices.

The evening will be structured in the same format as the successful Transitions evening (for P7 and S1 parents) earlier this session.

	3.15-4.00	4.00-4.45
S2	Assembly Hall	Departments/Faculties
S4 and S5	Departments/Faculties	Assembly Hall

- The Assembly Hall input will be led by Ms Lynn Galloway (Depute Headteacher). It will focus on the options processes, and give an overview of progression pathways available to our young people.
- The Department/Faculty Input will focus upon the range of progression pathways, and the skills for life, learning and work developed within the various subject areas. Parents/Carers in attendance will visit 3 Faculties (spending roughly 15 minutes at each). If you will be attending, it would be very helpful for us to know in advance which faculties you would like to visit. Please submit a response by Friday the 15th of November by using the QR code provided.

Urdu and Arabic interpreters will be present to assist parents/carers who may require their assistance.

We very much hope you are able to attend, and look forward to seeing you there.

Yours faithfully,

Barry Mochan
