Dear Parent/Carer,

P7 and S1 Transitions Event: Monday the 6th of October (3.30pm – 5.00pm)

We are looking forward to welcoming our S1 and P7 families to Bellahouston Academy for our Transitions Evening. Having now had a few weeks for our S1 pupils to settle into life at their new school, we hope that this evening will give parents the chance to meet with staff, talk to some of our pupils about the things they enjoy at Bellahouston, and ask any questions. For our P7 families, we have already begun linking with our Learning Community Primary Schools to start our process of getting to know the P7s. Our Young STEM Leaders have been visiting P7, leading lessons and hopefully inspiring STEM learning.

The evening will start off in the assembly hall at 3.30. Mr Mochan our Head Teacher will give you a short introduction to Bellahouston Academy, you will then have the chance to see some classrooms and hear about the learning which takes place there.

Following this, S1 families we will have the chance to attend a Q & A with Mr Mochan in the Assembly Hall. P7 families will be welcomed to the Fuel Zone to meet and ask questions about transitions with Mrs Cutler the DHT learning transitions.

For more information about the school, uniform, times etc please follow this link to our school website:

We would be delighted if you could come to the school at 3.30pm for our Transitions event.

All young people will need to have an adult with them to attend.

Kind regards

Carol Cutler
