Dear Parent/Carer

As part of our ongoing iPad refresh across all Glasgow schools, your child will have received a charging plug along with their new device.

Many thousands of plugs have been issued, but as a precautionary measure due to a couple of issues with a handful of chargers, a decision has been taken to replace all plugs issued to your child's school with a different make and model.

We ask that you **stop** using the current plug and return it to school as soon as possible. We will let families know when the replacement plugs are delivered to school.

In the meantime, iPads can still be charged using an alternative USB compatible plug. Thank you for your cooperation and continued support.

Yours faithfully

Mr B Mochan  
Head Teacher
