Dear Parent/Carer

Parent Information and Workshop Event: Pathways - Wednesday 19th November 2025 - 3.15pm-5.00pm

We are very pleased to invite you to our next Parent Information and Workshop Event on Wednesday the 19th of November, which is **Pathways**. The event is aimed at parents/carers of young people who will soon be making options choices in S2. The aim of the evening is to ensure that parents/carers understand how our options processes work and know which subject pathways are available to young people at Bellahouston Academy. Our school values of Belonging and Respect are very significant. We want to work in partnership with our parents/carers (the people who know their children best) to ensure that our young people feel supported when making their options choices.

The evening will begin in the Assembly Hall at 3.15, with a short presentation by Ms Lynn Galloway (Depute Headteacher). It will focus on the options process and give an overview of progression pathways available to our young people. At 3.40, parents/carers will have the opportunity to visit subject faculties to hear from teachers about the range of progression pathways we offer, and the skills for life, learning and work developed within the various subject areas. Parents/Carers will visit 4 Faculties (spending roughly 20 minutes at each) and should join the group (see below) most relevant to them as they arrive on the evening; each group will be capped at 15 participants, and pupil helpers will be present to help parents/carers find their way around the school. Parents/carers can bring along their S2 child.
