26th of February 2026

Dear Parent/Carer,

You may be aware of social media posts about our school being shared and I wanted to give our families a brief update.

As the incident is now the subject of a live police investigation, you will appreciate that we need to be careful of the information we share and want to remind our school community to also be cautious.

There are media stories published too, and the council has issued the following comment which gives you an understanding of what we can say:

Council spokeswoman said: "We are aware that youths have been charged in connection with an assault so it would not be appropriate to comment on a specific incident.

"The school is working with the police and took swift action as soon as the allegations were made.

"We are aware of a video being shared online and we condemn violence of any form.

"However, we would like to make it clear that spreading disinformation about a complex situation without the correct facts is dangerous and unhelpful and we would urge the local community to let the authorities do their jobs."

Our school will continue to support anyone involved in the situation.

We are a strong and resilient school community, and I know that our families will show the appropriate support to each other and our staff during this time.

Thank you.

Yours sincerely,

Barry Mochan
Headteacher
Bellahouston Academy
