20<sup>th</sup> of March 2026

Dear Parents/Carers,

**Thursday the 26<sup>th</sup> of March – Parent Information and Workshop Events**

- Supporting Adolescent Challenges (5.00pm-6.00pm)
- Learning and Teaching Workshop (6.00pm-7.00pm)

We are delighted to invite you to the next of our Parent information and Workshop Events, which will take place at Bellahouston Academy Assembly Hall on Thursday the 26<sup>th</sup> of March.

One of these opportunities is our **Learning and Teaching Workshop**, where we look to give parents a deeper understanding of our school's learning and teaching policy (which is entitled *LEARN*), and explore how this translates to classroom practice; it is hoped that parents who attend will leave with greater knowledge of the ways in which active and engaging learning is delivered at our school.

There is also a further opportunity to participate in our **Supporting Adolescent Challenges** evening, where we seek to support parents in managing potential issues – specifically those related to social media, messaging platforms and mobile phones – which may emerge as young people progress through their teens. We have added a further date for this event in order to accommodate parents who were not able to make it on the original date (Thursday the 19<sup>th</sup> of February).

So that we may plan out the accommodation and organise groupings for the evening, it would be appreciated if you could give an indication of your intention to attend. This QR code will allow you to do so.

We look forward to welcoming you. I have included overleaf a copy of our Parental Involvement and Engagement Calendar, so you are aware of the range of events we offer over the session. At Bellahouston Academy, we greatly value the opportunity to work in partnership with parents/carers to support our pupils. Our school values of Belonging and Respect mean that we want families to feel welcome at the school, and know that we are grateful for their input.

Warm regards,

Barry Mochan
