

Bellahouston Academy Parent Council Minutes

Monday 15th September - AGM

Bellahouston Academy

Attendees: Vanessa Redmond (Chair), Barry Mochan, Carol Cutler, Sam Smith, Rob Cussons, S Shakoor

Agenda

Head Teacher Q&A

See slides attached.

1. Chair's report on session 25/26

Regular schedule for meetings, providing an opportunity for us to hear from the school and give feedback on a number of important issues. Agenda and Minutes shared via a growing mailing list and via the school website.

Amongst things discussed last year were:

- Progress on toilet refurbishment
- Developing the Young Workforce
- School day and curriculum options
- School Improvement plan
- Use of school delegated funds

We also participated in recruitment for various positions, and we spoke to the Inspection Team as part of the inspection.

2. The Treasurer reported that the balance on the Parent Council account was £1007.30. In the past year we had received £400 from Glasgow City Council, and the expenditure had been on account costs and rent for the use of the school classroom.

3. Head Teacher update

(Taken as HT Q&A prior to the AGM).

4. The Parent Council Constitution

The Constitution was approved with a number of small changes (parents * to note 'parents/carers', meetings being open to the public changed to open to the 'parent forum').

5. Election of Office Bearers.

Rob Cussons and Sam Miller were elected as Chair and Treasurer. Given the limited number of attendees it was decided to delay election of the Secretary and Parent Council members to a future meeting. The incoming Chair noted that he would welcome support, even on a rotating, meeting by meeting basis, to take the notes of the meeting.

7. No AOB were raised. Future meeting dates will be communicated via email.
