Ask to Join Networks

Notify >

Known networks will be joined automatically. If no known networks are available, you will be notified of

Whenever you see this message, please **DO NOT ignore** or you'll have issues accessing the internet / apps. PROXY is like a bouncer - it lets you onto the network. Please enter your GSN (School Computer) login details. These should have been recently reset. Take your time to avoid mistyping and having to retype again!

iPad Usernames and passwords

- Keep your School network details handy as Proxy will pop up from time to time.
- Do not share your login details with anyone.
- Your Apple id password is the same as the password you set up to lock your iPad.
- Mrs Hedley cannot change Apple id passwords or School network passwords.
- If you lose these you may not be able to use your iPad for **at least a week**. It is always best to try and remember it or keep a reminder in a safe place.
- Mrs Hedley can reset Glow passwords if you are stuck

Eight ways easing lockdown has changed the UK

How to use the 'eat out to help out' scheme

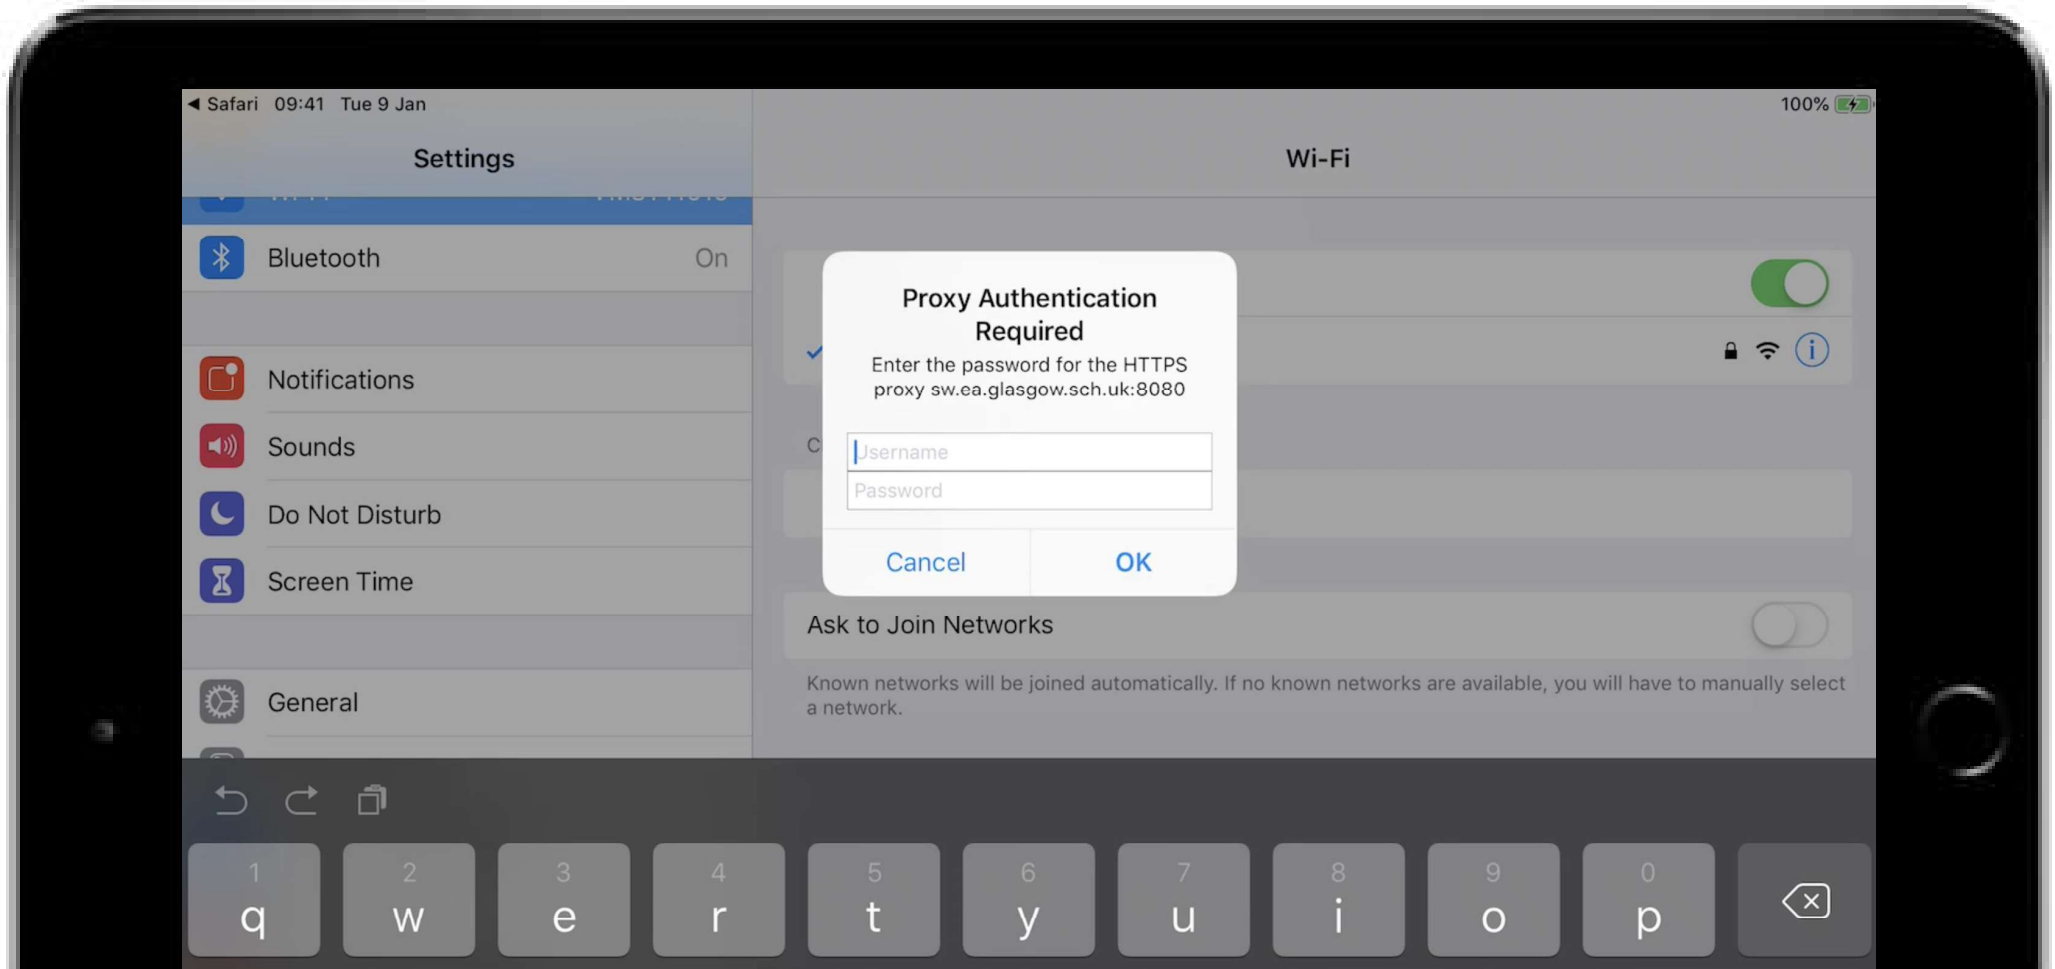

The boss who bounced her way from £200 to £3m

You're in! Well done.
If NOT, please check out the next slides.

If this keeps coming up:

1. Try your password again - retype carefully.
2. Do you need to update your password on a desktop computer? Ask your teacher for help.
3. Update your iOS Software to the latest version by going to Settings > Software Update.

How to use the 'eat out to help out' scheme

The boss who bounced her way from £200 to £3m

You're in! Well done.

IF you are still having issues, you will need to get some help from your teacher. They may need to log the issue with someone technical and get back to you.
