

Easter Bonnet Competition

The children in primaries 1 – 3 are invited to take part in an egg-citing Easter competition! They are being asked to design their own egg-cellent Easter bonnet and bring it into school on Friday 26th March. The bonnets will be displayed on the big steps open area. The bonnets will then be judged and the winners announced on Thursday 1st April.

Feel free to make your bonnet as egg-cellent as possible but please have your name and class somewhere on it so it can be returned to you on Thursday afternoon.
