

Easter Egg Competition

The children in primaries 4 – 7 are invited to take part in an egg-citing Easter competition! They are being asked to design and decorate their own egg-cellent hard-boiled egg and bring it into school on Friday 26th March. The eggs will be displayed on the big steps open area. The eggs will then be judged and the winners announced on Thursday 1st April.

Feel free to make your egg as egg-cellent as possible but please have your name and class somewhere on it so it can be returned to you on Thursday afternoon.
