

Learning and Teaching

- Staff will use the new city-wide digital planners to ensure consistency across the school.
- Staff will introduce one new curricular planner each term.
- Staff will update our teaching and learning strategy. This will ensure high-quality teaching and learning.

Blairdardie Primary School Improvement Plan Summary 2023-2024

School Values

- We need your help to review and grow our school values.
- Your opinion is really important. We will ask you and your family about our values and what Blairdardie means to you?
- This will make our school even better!

Improve Attendance

- We know that coming to school every day is very important to our children's learning and wellbeing.
- We will support and motivate our children and families to improve school attendance.
