

Broomhill Primary School

Child Welfare & Safety

If you have any concerns regarding the welfare or safety of any child or young person you must report these concerns to the headteacher Mrs Cameron.

Either of our deputies, Mrs Nicholson or Mr Thom, will assist you if the headteacher is not available.

Thank you

Broomhill Primary School takes positive steps to help children protect themselves by ensuring that programmes of health and personal safety are central to our curriculum and we have in place a curriculum that ensures that children have a clear understanding of the difference between appropriate and inappropriate behaviour on the part of another person, no matter who.

As with other areas of the curriculum, you will be kept informed of the health and personal safety programme for your child.

Broomhill Primary strives to create and maintain a positive ethos and climate which actively promotes child welfare and a safe environment by:

- ensuring that children are respected and listened to;
- ensuring that programmes of health and personal safety are central to the curriculum;
- ensuring that staff are aware of child protection issues and procedures;
- establishing and maintaining close working relationships and arrangements with all other agencies to make sure that professionals collaborate effectively in protecting children.

Should any member of staff, parent, carer, pupil, visitor or member of the public have concerns regarding the welfare or safety of any child or young person they must report these concerns to the headteacher. The Head, or the person deputising for the head, after judging that there may be grounds for concern regarding the welfare or safety of any child, must then immediately advise the duty Senior Social Worker at the local Social Work Services area office of these concerns.
