● Primary 7	25

Please select the option most appropriate for the following statements.

S1	I have enjoyed using Seesaw
S2	I feel confident accessing my activities
S3	I feel confident knowing how to submit my work to my teacher
S4	I used my teacher's feedback to further my learning
S5	I would like to continue using Seesaw even when the schools are back

What I liked about Seesaw

Out of the 215 positive responses:

68 (32%) noted that the interaction with their teachers and work was a positive aspect

56 (26%) stated that it was easy to use

50 (23%) identified using the different tools available to submit their work

37 (17%) said that it was fun and/or enjoyed online working

What I didn't like about Seesaw

Out of the 171 negative responses:

104 (61%) reported glitches with the interface, losing work, text boxes and pen hard to use.

15 (9%) responded that they did not like working online

12 (7%) identified the quality or quantity of tasks/instructions as being a negative aspect

How could we continue to use Seesaw once we are back in school?
