

At Home Activities - Primary 3

Term 2 2020/21

Numeracy

Daily Practice

Practise counting up and back to 100. Then, skip count by 2, 4, 5 or 10!

Eva is practising chanting the months of the year.

She says,

January, February, May, April, March, July, June, August, September, November, October, December.

Eva is incorrect. Correct her mistakes.

The 5th June is a Wednesday. What day is the 10th June?

Sort the days of the week into school days or non-school days.

Sunday	
Thursday	Saturday
Friday	
Wednesday	Tuesday
Monday	

At school	Not at school
-----------	---------------

Dora compares the two values.

23 < 3 tens and 3 ones

Change one thing in the values so they are equal.

Pick two dominoes to represent two two-digit numbers.

For example,

Then compare them using <, > or =
43 > 21 21 < 43
Explain how you know.

Teddy is comparing two numbers.

My number is larger than 19 but not one more than 19

23 > []

What could Teddy's number be?

What can't it be?

Literacy

Spelling

Look on Seesaw to find this week's spelling focus. Choose a different activity every day to practise.

Write your words using rainbow writing, bubble letters, cut out letters from magazines or newspapers to create your words and make a silly sentence.

Reading

Choose your favourite story book from your personal collection or look online for a new story. Then choose one of these activities.

Design a new front cover for a book.	Draw your favourite character from a book. Can you use any words to describe them?
Make a poster to advertise the book.	Create a new character for your story.
Create a new book mark.	Make a model of a character from the book.
Act out your favourite part of the story.	Draw and label your favourite part of the story.

Topic - Research

Research where the Vikings settled in Scotland. Make a leaflet to share your fun facts and research.

Find out what an archaeologist is and what they do.

Write your name in Viking Runes and then design your own name plate.

STEAM

Design and make your own Viking shield. Remember to plan your design before making your final product.

At Home Activities - Primary 3
Term 2 2020/21

Health and Wellbeing

Get active - find a Joe Wicks video or cosmic kids video.

Make a chart of your chores for the house and discuss why they are important.

Find out what Vikings ate and compare your diet to that of a Viking. Draw a plate showing what they ate and a plate showing what you eat.

What's in the news?

Watch Newsround each day and discuss the main stories with someone at home. Draw an illustration or create a mindmap to record some of the main stories covered. Why not pretend to be a news reporter and record yourself reporting your favourite news story!
