

At Home Activities - Primary 4 Term 2 2020/21

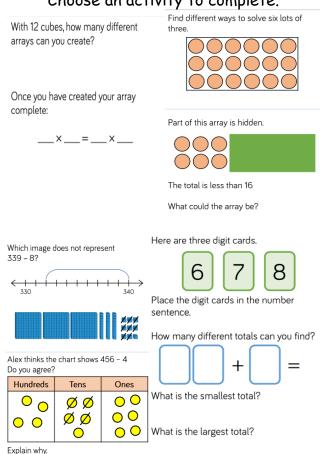

Numeracy

Daily Practice

Practise your times tables out loud or write them out. Challenge: time yourself to see how quick you can recite them.

Choose an activity to complete.

Literacy

Spelling

Look on Seesaw to find this week's spelling focus. Choose a different activity every day to practise.

Write your words using rainbow writing, bubble letters, write your words in alphabetical order, cut out letters from magazines or newspapers to create your words and make a silly sentence.

Reading

Choose your favourite story book from your personal collection or look online for a new story. Then choose one of these activities.

| story: Their choose one of these activities: | |
|--|---|
| Design a new front cover for a book. | Draw your favourite character from a book. Can you use any words to describe them? |
| Make a poster to advertise the book. | Create a new character for your story. |
| Create a new book mark. | Make a model of a character from the book. |
| Act out your favourite part of the story. | Draw and label your favourite part of the story. |

At Home Activities - Primary 4 Term 2 2020/21

Topic - Research

Create a fact file about the Titanic.

Think about: where was it built, how many passengers were on board, what activities were on the ship, what was the layout of the ship and why did it sink?

STEAM

Design and make paper boats. Try to make different designs.

Test whether they can float. Use pasta to test which boat can carry the most before it sinks. Record your results in a chart.

Health and Wellbeing

Get active - find a Joe Wicks video or cosmic kids video.

Make a chart of your chores for the house and discuss why they are important.

Find out what passengers aboard the Titanic ate. Were there differences in the menus for different passengers? Create and write a menu for the First Class passengers.

What's in the news?

Watch Newsround each day and discuss the main stories with someone at home. Draw an illustration or create a mindmap to record some of the main stories covered. Why not pretend to be a news reporter and record yourself reporting your favourite news story!
