

Numeracy

Daily Practice

Review your times tables.

What decimal is shaded?
Can you write this as a fraction?

Complete the table.

Decimal	Fraction in tenths or hundredths	Simplified fraction
0.6	$\frac{6}{10}$	$\frac{3}{5}$
0.95		

Three friends share a pizza. Sam ate 0.25 of the pizza, Mark ate 0.3 of the pizza and Jill ate 0.35 of the pizza.

- Can you write the amount each child ate as a fraction?
- What fraction of the pizza is left?

29

Sam has £29

He gets £28 more for his birthday.

He buys this cap and jumper with his money.

How much money does he have left?

The table shows the ages of people in a theme park.

Age	Number of people
Under 18	126
18 - 60	195
Over 60	38

These are the entry costs.

How much money did the theme park make from entry costs?

Find the size of angle b.

Literacy

Spelling

Check Seesaw for your spelling focus.

Write a paragraph including all your spelling words. Make it as creative or silly as you want! Make a word search using your words. Challenge someone in your house to find them.

Reading

Choose and read a book from your personal collection or online. Then, choose a different activity to complete each day.

Design a new front cover for a book. Remember to include the title and an eye catching design.	Imagine you are one of the character's from the story. Write a diary entry from the characters point of view.
Create a new character and or setting for the story using descriptive language.	Create and act out a TV advert for the book.
Make up quiz questions for a book you have read in class. Quiz your family and see if they can answer the questions.	Make a poster to advertise the book. You may want to include persuasive language.
Design and make a pack of trump cards for the main characters in your story.	Choose a story or scene from a story and act it out and film it.

See how many words you can you make using these letters. Can you spot the 9-letter word?

At Home Activities - Primary 7/6
Term 2 2020/21

Topic - Research

Research a historic and current Scottish inventor. Create a fact file for each inventor detailing their accomplishment and life story. Think about; how their invention has changed the world what other inventions came as a result of this.

STEAM

Design and create an invention to help complete a job around the house. Draw a diagram and label the parts, describing what they do. Create an instruction manual for a user. Finally, try to use junk modelling to create your design.

Health and Wellbeing

Keep active!

Use some online resources to keep you motivated and moving!

Can you plan, prepare and cook a healthy meal for your family. Remember cleaning up is part of the process! Take a picture and ask for reviews from the family out of 5 stars.

Bon appetite!

What's in the news?

Watch Newsround each day and discuss the main stories with someone at home. Draw an illustration or create a mindmap to record some of the main stories covered. Why not pretend to be a news reporter and record yourself reporting your favourite news story!
