

## Our Vision, Values & Aims

Our group's vision is to live, play and work within a safe, friendly, nurturing and equal school and society, where diversity is valued.

Our shared school values are: respect, kindness, integrity, aspiration and teamwork.

The aim of the Equalities Group is to help equip children with the **awareness of our diverse society**, to **value differences** among people and develop skills to **uphold and champion children's rights**.

The task of the Equalities Group is to:

- ♥ raise awareness of equality and diversity issues in line with The Equality Act 2010 and Children's' Rights
- ♥ promote learning activities for children to develop awareness, understanding and appreciation of people from diverse backgrounds in our school and society
- ♥ nurture a sentiment in children and the school ethos in favour of equality and diversity
- ♥ help remove discrimination on the grounds of gender, sexual orientation, disability, race or religion
- ♥ carry out and use evaluations or research on school equality and inclusion issues and share the results.
