First term success!

Dear Parents and Carers,

What a super first term we have had! The children have been super busy and have settled into routines well. It has been strange not to have parents and carers in our building but hopefully we have been able to answer questions at the gate or over the phone.

We continue to be on high alert with COVID-19 procedures and have systems in place to reduce risk. As you know this includes staggered start and end to the school day, various entrance points to the building, regular hand washing and use of hand sanitiser. Please continue to clean clothes regularly, daily if possible, clean and add fresh water to water bottles, spray school bags and lunch boxes every day with antibacterial spray. If we all continue to stay vigilant, we can keep our families as safe as possible in these circumstances.

As always, our partnership is greatly valued. Please keep in touch with us. It is very challenging to meet face to face within the school building at the moment, but remember we are at the end of a phone or e-mail if you need us!

With regards,

Mrs M Baker, Headteacher

Parent and Carer Communication

Parent Evening

Due to restrictions of having adults in the building, our face to face appointments have been cancelled. In their place, a telephone call will be offered by the class teacher. It is difficult for us to offer a set time for these calls due to the limited access to telephones in the school. Staff will therefore be making calls throughout the school day and after the school day to ask if you are available to discuss your child's progress. Please bear with us. We are trying to do the best that we can in these unusual times.

Ongoing

Please check your child's Seesaw account for tasks and updates on learning.

All correspondence will be sent by Groupcall e-mail and our Groupcall Xpressions App. Please ensure we have up-to-date contact details.

Outdoor learning

We aim to get out and about in our playground as often as we can. Please ensure your child has suitable clothing and footwear for these activities.

So far this term we have had children making water catchers, building dens, planting, sharing stories, treasure hunts, literacy and maths outdoors, science experiments and creating natural art displays. PE has included Marathon kids, yoga, no touch football, team rock paper scissors and a favourite, "What's the time Mr Wolf?"

We continue to be grateful for our wonderful outdoor space which offers an amazing place for learning!

Little visitors!

HEAD LICE!

I would like to remind all adults that a regular check of children's hair is important.

Please remember that the Chemist can provide medicated shampoo and other treatments, for free, if required. Head lice combs are very effective!

Class start and end times for each class.

Class	Start	End
P1	9am	Between 2:45 and 3:00
