

CALEDONIA PRIMARY AND LCR  
SCHOOL HANDBOOK  
2023-2024

## Caledonia Primary and LCR School Handbook

Welcome to Caledonia Primary and LCR

I would like to welcome you and your child to Caledonia. This handbook contains a range of information that you might find helpful. Please do not hesitate to contact the school or check the school website if you need more information.

I hope that this handbook gives you a glimpse of life at Caledonia. We look forward to having you and your child work with us and hope that this will be the start of a strong partnership.

We provide a learning environment where everyone is included and are recognised as a Language and Communication Friendly Establishment and a school where children's rights are respected by all. Physical education, physical activity and school sport are strengths of our school and we have twice been awarded Sports Scotland's Gold Award for practice in these areas.

At Caledonia we are keen to use the outdoors as much as possible and we try to get outside to learn whenever we can, whatever the weather. This could be within the school grounds, the local area, Glasgow City or further afield.

Our children are encouraged to take part in activities which broaden their learning experiences both in and out of school and we value and celebrate the wide range of children's experiences.

## School Vision & Values

At Caledonia we will provide a welcoming and friendly environment, which celebrates the diversity of our community.

We are a nurturing school where everyone feels safe, happy and valued and all children are supported to reach their full potential. This is achieved through working together with children, their families and the community, based on a shared sense of direction.

Our School Values:

- Care
- Confidence
- Determination & Enjoyment
- Honesty & Respect

## School Term Dates

Details of school term dates are available on the Glasgow City Council website:

<https://www.glasgow.gov.uk/index.aspx?articleid=17024>

## **Pupil Absence**

Within Caledonia good attendance is encouraged at all times. Parents are asked to advise if their son or daughter is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents and carers of absence if no contact is made. All unexplained absences are investigated by the school and appropriate action taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively you can use the online form on the Glasgow City Council website: <https://www.glasgow.gov.uk/index.aspx?articleid=18832>

## **Medical & Healthcare**

The school nurse visits at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter.

If a child becomes ill during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, parents must complete the appropriate medical form. This is available on request from the school office.

## **Emergencies**

We make every effort to maintain a full educational service, but on some occasions circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

## **School Uniform**

The school uniform is:

- Blue shirt with tie or blue polo shirt
- Black trousers or skirt
- Black pullover or cardigan
- Blue sweatshirt cardigan with embroidered logo
- Blue v-neck sweatshirt with embroidered logo
- Blue crew neck sweatshirt with embroidered logo

Children must have a change of footwear to wear indoors.

School ties are available for purchase at the school office. Embroidered products can be purchased from BE Schoolwear within Argyle Street train station.

Our uniform was agreed in consultation with pupils and parents. It is expected that all children attending Caledonia will adhere to this dress code.

## **PE Kit**

It is important that pupils come prepared to learn and for PE this requires appropriate clothing. All jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)
- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose fitting clothing, jewellery)
- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

## **Clothing & Footwear Grants**

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit (check link below for thresholds), Housing Benefit, Council Tax Benefit or Universal Credit (check link below for thresholds) will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained from schools and at

<https://www.glasgow.gov.uk/index.aspx?articleid=17885>

## **School Meals**

Our school provides a lunch service which offers a variety of meals and snacks. Medical diets for children can be provided. Further information can be found here:

[http://www.fuelzoneprimary.co.uk/UserFiles/files/Medical Diet Leaflet%20-%20June%202017%20WEB.pdf](http://www.fuelzoneprimary.co.uk/UserFiles/files/Medical%20Diet%20Leaflet%20-%20June%202017%20WEB.pdf). Please also inform the school office of any dietary requirements.

Children who prefer to bring packed lunches will be accommodated in a suitable area.

All children in P1-5 are entitled to a free school meal.

If you plan to send your child/children to breakfast club, you should inform the staff of any medical dietary requirements.

Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit (check link below for thresholds), Child Tax Credit only (check link below for thresholds), Universal Credit (check link below for thresholds) and income-related Employment and Support Allowance are entitled to a free midday meal. Information on free school meals may be obtained at <https://www.glasgow.gov.uk/index.aspx?articleid=17885>

## **Transport**

The education authority has a policy of providing free transport to all pupils who live outwith a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible can apply online at <https://www.glasgow.gov.uk/index.aspx?articleid=17882>

## **LCR Transport**

The education authority will provide transport by bus or taxi to the LCR. Children are supervised at all times by a designated escort. If there has to be a change of escort parents will be told in advance if possible. On occasions however, this may not be possible e.g. if an escort is unwell. Should an escort come for your child who is not known to you please ask to see their identification badge or phone the LCR for clarification. As there are other children in the taxi the escort cannot leave the taxi.

Parents should contact the Transport Co-ordination Centre on 08000324444, if the child is ill or going to be off school or able to return to school after an absence or for any other queries regarding transport.

## **Transfer from Primary to Secondary School**

Children and young people normally transfer between the ages of 11 ½ and 12 ½, so that they will have the opportunity to complete at least 4 years of secondary education. Parents and carers will be informed of the school arrangements no later than December of P7. Children from our school normally transfer to:

Bannerman High School  
Glasgow Road  
Glasgow  
G69 7NS  
Phone: 0141 582 0020  
Email: [headteacher@bannerman-sec.glasgow.sch.uk](mailto:headteacher@bannerman-sec.glasgow.sch.uk)  
<http://www.bannermanhigh.glasgow.sch.uk/>

Bannerman High School staff work with our pupils from Primary 6 onward to prepare them for the transfer to secondary school.

## **Communication with Parents**

At Caledonia we use a variety of ways to keep in touch.

*Open Door Policy* – the senior leadership team are available for all parents and carers at any time providing they are not teaching or in another meeting. Please speak to the school office for an appointment.

*Newsletters* – will be sent out by email on a regular basis to keep parents informed about the work of the school.

*Letters* – further information which requires a response may be sent out in letter form.

*School website/Twitter* – will contain a great deal of information about the school. It is a good idea to check this regularly.

*Text messaging* – You may also receive text reminders about events/school closures etc.

*Meetings* - Parents and carers are welcome in the school to discuss any aspect of their child's development and progress. To avoid disappointment, it is advisable to make an appointment. There are various opportunities throughout the year when parents can discuss their child's progress with the class teacher and view the child's work.

Parents and carers are welcome at other events throughout the school year e.g. workshops, information evenings, class performances, religious and other assemblies. The school newsletter will keep you informed.

## **Emergency Contact Information**

At the start of each school session, parents will be issued with the annual data check form. Please ensure that this is completed and returned to the school. It is also important that you let us know if there are changes to your telephone number(s) or to those of your emergency contacts throughout the year.

## **Data Protection – use of information about children and parents/carers**

We collect information about children attending school (and also about parents/carers, emergency contacts etc. provided in the annual data check) to allow us to carry out the Council's functions as the education authority for the City of Glasgow. This may sometimes involve releasing personal information to other agencies and other parts of the Council, particularly in relation to child protection issues or criminal investigations, and it may also be used for research purposes (see the link below for more details regarding this).

Information held by the school is, in legal terms, processed by Glasgow City Council. The Council is registered as a data controller under the Data Protection Act 2018 and all personal data is treated as confidential and used only in accordance with the Data Protection Act, the General Data Protection Regulations, and the Information Use and Privacy Policy approved by the City Council. For more information on how we use personal

information, or to see a copy of the Information Use and Privacy Policy, see <https://www.glasgow.gov.uk/index.aspx?articleid=18010> .

Education specific privacy statements can be accessed at <https://www.glasgow.gov.uk/index.aspx?articleid=22069> .

## **Appointments during school hours**

If your child has an unavoidable appointment, please give them a letter for their class teacher and then collect them from the school office at the specified time.

## **Comments & Complaints**

In Caledonia we aim to have positive relationships across our school community. However, if you have a comment or complaint about any aspect of school life, please contact the Head Teacher in the first instance.

## Curriculum

### Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3 to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education(BGE). Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Caledonia Primary and LCR we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Expressive Arts	Health & Wellbeing	Languages	Mathematics
Religious & Moral	Sciences	Social Studies	Technologies

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

**Expressive arts:** The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

**Health and wellbeing:** Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

**Science:** Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

**Social Studies:** Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

**Religious and moral education:** Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

**Languages:** Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

**Mathematics and Numeracy:** Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

**Technologies:** The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

Education Scotland [www.education.gov.scot](http://www.education.gov.scot)

National Parent Forum of Scotland [www.npfs.org.uk](http://www.npfs.org.uk)

### **Religious Observance**

Our school is fortunate to have a close link with Hope Hall in Baillieston. John Allan assists with the Christianity element of Religious and Moral Education and provides opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

### **Assessment & Reporting**

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in October/November and February/March. An annual report is sent to parents towards the end of each school year.

If you have any concerns about your child's progress do not hesitate to contact the school.

### **Support for Pupils**

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Head Teacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website at <https://www.glasgow.gov.uk/index.aspx?articleid=18941>

Information on the Glasgow City Councils' Parental Involvement Strategy can also be found at <https://www.glasgow.gov.uk/index.aspx?articleid=17870>

## **Nurturing City**

The Glasgow City Council vision 'towards the nurturing city', puts building positive, trusting relationships at the core of our work. We ensure children, young people and families feel they belong, they are listened to and they are valued by embedding the principles of nurture across our early years, primary and secondary establishments. Staff are trained in attachment and nurture which deepens understanding of child development and enhances effective practice by responding to the needs of all children and young people in a consistent and caring way. Nurture is a universal approach which builds resilience, helping to reduce the impact of adversity. Effective communication and collaboration with parents and carers builds an ethos of partnership working putting the child at the centre, fostering high quality learning contexts.

Each of our nurturing establishments contribute to the development of Glasgow as a nurturing city, creating safe environments which allow our children and young people to flourish by raising attainment and promoting positive mental health and wellbeing.

## **School Improvement**

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

## **Promoting Positive Behaviour**

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Caledonia Primary and LCR is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour. This is celebrated through Golden Time treats, awards at assemblies and certificates sent home to parents etc.

The highest standards of behaviour are expected of pupils at all times. Where this is not the case, a variety of sanctions are used. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

## Home Learning

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag for communication about home learning and specific tasks.

## Parent Council

We have an active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on the Parent Forum and on request from the school office.

## Pupil Council

Our Pupil Council is made up of representatives from each year group. This is an important group which ensures that the views of pupils are heard. We have a range of other pupil voice groups supporting the life and work of the school including an Eco Committee. This session we are introducing 6 pupil voice groups for children to opt into.

## Extra-Curricular Activities

We offer a wide range of activities that run from Monday – Friday to extend the learning experience. These regularly include dance, football, basketball, coding and gymnastics. Please check your child's schoolbag for information as places are popular and usually limited.

Good links with community organisations and our Active Schools Co-ordinator are vital for the success of these programmes.

## Useful Contacts

**Parentzone Scotland** is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education. Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels.
