Welcome Back!

We have had an excellent start to the new session here at Camstradden. It has been lovely to see the children settle into their new classes so well.

This session we will be focusing on improving our pupil's writing skills, effective feedback to support next steps, embedding inclusive practices and maintaining high attendance levels. These priorities will support the school in achieving our grand challenges in raising attainment and meeting the needs of all of our learners.

Since taking up post here at Camstradden Primary, I have been keen to increase the engagement of **YOU**, our parents, in the life of the school. I know that our parents have lots of ideas about events that they would like to see happening and how we could make the school even better for our children. Please get involved by coming along to our next Parent Meeting.

I look forward to seeing you there!

Miss Grace

Parent Open Afternoon
