AGM – 4th October 2017

Feedback forms issued to parents to find out why they were unable to attend. As attendance was poor.

Only 16 responses received – majority of people working.

PC need more parents to become involved as at present most of the organizing is being carried out by MCD & IMcK. Whilst they are happy to carry on doing as much as they can they do need some assistance.

Due to the lack in parent interest we are unable to do other activities with the kids for example regular discos etc.

PC brainstormed looking for ideas to show off what the parent council does

- Maybe look at doing something in the gym hall for the forthcoming parents evening; market stall
- Family night – pizza & movie night?
- Giving out flyers asking for the parents to volunteer their time for activities for the kids
- As most of the updates for the school are now on twitter can the minutes be uploaded onto this platform and then attached onto the PC Facebook page for parents to get a flavour of what is happening at the school and how we need HELP!! There is 316 followers on the school twitter page however this does include other schools too.
