

Some choices for this week...8th November 2021

Elspeth

The children will be learning about measurement using everyday objects such as bricks, branches and stones.

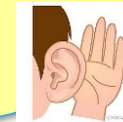

Susan

The children will be creating different buildings and structures using their own designs, thoughts and ideas.

Lesleyann

The children are learning to hear and say the initial sounds in familiar words.

Alison

Using Goldilocks and the Three Bears story the children will be learning about the importance of helping others and being kind to each other.

Roseanna

The children will be creating their own models using a variety of recycled materials.

A taste of what we are learning this week.....

Amanda

Using the story of Goldilocks and the Three Bears the children will be exploring and comparing sizes small, medium and large.

Marie

The children will be creating a book review of Goldilocks and The Three Bears.

Deborah

Using the Goldilocks and the Three Bears game the children will be developing their awareness of when to talk and when to listen.
