## **Head Teacher's Welcome**

*We're delighted to have you join our school community. This handbook is designed to give you helpful information about life at Clyde Primary and what to expect throughout the school year. You'll find useful links throughout the document to our school website and Glasgow City Council resources, where you can explore further details.*

*If you have any questions or need additional support, please don't hesitate to get in touch with us directly or visit our website.*

*We hope this handbook gives you a sense of the vibrant, supportive environment we strive to create at Clyde Primary School. We're excited to work in partnership with you and your child, and we look forward to a positive and rewarding journey together.*

*Warm regards,*

**Mr Scott Mowat**  
**Head Teacher**

*All authorities are required by law to issue a copy of the school handbook incorporating current policies and practices of both the council and the school to certain parents and carers in December each year for their use as appropriate.*

## Clyde Primary School Vision, Values, Aims

Following consultation with Parents, Pupils and Staff the following Vision Values and Values were relaunched in May 2022.

### **Our Vision:**

to ensure every child is nurtured, safe and included within a challenging and inclusive learning environment. Our committed staff will be highly skilled, ambitious and aspirational and support each other to provide the highest quality education. We aim for all children to develop a positive attitude to learning and the world around them.

**Our Values** fostered in Clyde Primary School are the basis for achieving our vision:

## Enrolment

Registration of Primary 1 children takes place on line in November and is advertised widely in local press etc. The school organises visiting times in November. Families living out with the catchment area are welcome to make a placing request to attend Clyde Primary School but must enrol their child at their local school as a first step. Further information is available using the following: <https://www.glasgow.gov.uk/index.aspx?articleid=18426>

Please note: the school has no decision making in placements and placing requests.

## Organisation of Classes

The following guidelines set by Scottish Government apply.

|      |            |
|------|------------|
| P1   | maximum 25 |
| P2&3 | maximum 30 |
| P4-7 | maximum 33 |

Composite classes can have a maximum of 25 pupils and will have pupils from more than one stage.

## School Holidays

Details of holiday dates are available on the Glasgow City Council website: <https://www.glasgow.gov.uk/article/4276/School-Term-Dates>

## Pupil Absence

Within Clyde Primary school good attendance is encouraged at all times and children rewarded accordingly. Parents are asked to inform the Parent Absence Reporting Line on 0141 287 0039 if their child is going to be absent. This should be done before 9.30 on the first day of absence. If the child is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents of their child's absence if no contact is made. All unexplained absence is investigated by the school and appropriate action is taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively, you can use the online form on the Glasgow City Council website: <https://www.glasgow.gov.uk/article/4277/Pupil-Absence-Reporting>

## Punctuality

Children are expected to be punctual on arrival at school and on return from lunch if they go home.

Children who arrive late must enter the school by the main entrance and report to the school office.

The bell is rung at 9.00am to allow for a prompt start. Parents/carers are asked to note that if they wish their child to be dismissed early from school **for any reason** they must call at the school to collect the child. **Other than going home for lunch, children cannot be allowed out of school during the school day unless accompanied by an adult.**

We carefully monitor the level of late coming on a weekly basis and where problems become evident, issue letters to parents/carers. The education liaison officer may also arrange a home visit to discuss the reasons for children arriving late in school.

**Please try to have your child arrive on time each day to maximise their learning.**

## Medical & Healthcare

Health professionals visit at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter.

If a child becomes ill during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, parents must complete the appropriate medical form. This is available on request from the school office.

## Emergencies

We make every effort to maintain a full educational service, but on some occasions circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

## School Uniform

The school uniform is:

- White Polo shirt **or**
- White shirt **and** school tie
- Red sweatshirt, jumper or cardigan
- Grey trousers or skirt

Sweatshirts, cardigans, polo shirts and ties with the school logo are available for purchase online. Local supermarkets also stock school colours without the badge as a less expensive alternative.

Our uniform was agreed in consultation with pupils and parents. It is expected that all children attending Clyde Primary School will adhere to this dress code.

## **PE Kit**

It is important that pupils come prepared to learn and for PE this requires appropriate clothing. All jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)
- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose fitting clothing, jewellery)
- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

## **Clothing & Footwear Grants**

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit (with a total annual income of less than £15,860\*), Housing Benefit, Council Tax Benefit or Universal Credit (where the total income is less than £7320) will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained from schools and at

<https://www.glasgow.gov.uk/article/2492/Clothing-Grants-Free-School-Meals>

## **School meals**

Our school provides a lunch service that offers a variety of meals and snacks. Medical diets for children can be provided. Further information can be found here:

[http://www.fuelzoneprimary.co.uk/UserFiles/files/Medical\\_Diet\\_Leaflet%20-%20June%202017%20WEB.pdf](http://www.fuelzoneprimary.co.uk/UserFiles/files/Medical_Diet_Leaflet%20-%20June%202017%20WEB.pdf)

Please inform the Head Teacher if your child has a specific dietary need.

Children who prefer to bring packed lunches are accommodated in the dining hall. All children in P1-P4 are entitled to a free school meal. If you plan to send your child/children to breakfast club, you should inform the

staff of any medical dietary requirements. Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit (where income is less than £7,920\*), Child Tax Credit only (where income is less than £16,500\*), Universal Credit (where income is less than £7320) and income-related Employment and Support Allowance are entitled to a free midday meal. Information and application forms for free school meals may be obtained at

<https://www.glasgow.gov.uk/article/2492/Clothing-Grants-Free-School-Meals>

## **Breakfast Service**

Clyde Primary School holds a Breakfast Club each morning from 8.00 am-8.45am. This service is free to those in receipt of free school meals and £2 for the oldest child and £1 for siblings. Your child can attend as often as you wish.

## **Transport**

The education authority has a policy of providing free transport to all pupils who live outwith a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible can apply online at

<https://www.glasgow.gov.uk/index.aspx?articleid=17882>

## **Transfer from Primary to Secondary School**

Children and young people normally transfer between the ages of 11 ½ and 12 ½, so that they will have the opportunity to complete at least 4 years of secondary education. Parents and carers will be informed of the school arrangements no later than December of P7.

Children from our school normally transfer to:-

Knightswood Secondary School, 60 Knightswood Road, Glasgow, G13 2XD

Email: [Headteacher@knightswood-sec.glasgow.sch.uk](mailto:Headteacher@knightswood-sec.glasgow.sch.uk)

Website: <http://www.knightswoodsecondary.org.uk/>

Knightswood Secondary school staff work with our pupils from Primary 6 onward to prepare them for the transfer to secondary school.

## **Communication with Parents**

At Clyde Primary School we use a variety of ways to keep in touch. Most information will be emailed to parents therefore it is vital we have an up-to-date email address

Should you wish to meet with a teacher or member of the School Leadership Team please contact the office and we will aim to meet you at our earliest available time.

**SeeSaw** – will let parents know what homework has been set and is also used to communicate between the class teacher and parents.

**Xpressions** – All communication from the office will be sent to the Xpressions App which can be downloaded.

**Weekly Newsletters** – will be sent out on a weekly basis to keep parents informed about the work of the school.

**Letters** – further information which requires a response may be sent out in letter form.

**School website** – will contain a great deal of information about the school. It is a good idea to check this regularly.

**Text messaging** – You may also receive text reminders about events/school closures etc.

**Meetings** - Parents and carers are welcome in the school to discuss any aspect of their child's development and progress. There are various opportunities throughout the year when parents can discuss their child's progress with the class teacher and view the child's work.

Parents and carers are welcome at other events throughout the school year e.g. workshops, information evenings, class performances, religious and other assemblies. The school newsletter and website will keep you informed.

## **Emergency Contact Information**

At the start of each session, parents will be issued with the annual data check form. Please ensure that this is completed and returned to the school. It is also important that you let us know if there are changes to your telephone number(s) or your emergency contact information.

## **Data Protection-use of information about children and parents/carers**

We collect information about children attending Clyde Primary school (and also about parents/carers, emergency contacts etc. provided in the annual data check) to allow us to carry out the Council's functions as the education authority for the City of Glasgow. This may sometimes involve releasing personal information to other agencies and other parts of the Council, particularly in relation to child protection issues or criminal investigations, and it may also be used for research purposes (see the link below for more details regarding this).

Information held by the school is, in legal terms, processed by Glasgow City Council. The Council is registered as a data controller under the Data Protection Act 2018 and all personal data is treated as confidential and used only in accordance with the Data Protection Act, the General Data Protection Regulations and the Information Use and Privacy Policy approved by the City Council. For more information on how we use personal information, or to see a copy of the Information Use and Privacy Policy, see <https://www.glasgow.gov.uk/index.aspx?articleid=18010>

Education specific privacy statements can be accessed at <https://www.glasgow.gov.uk/index.aspx?articleid=22069>

## **Appointments during school hours**

If your child has an unavoidable appointment, please give them a letter for their class teacher and then collect them from the school office at the specified time.

## **Comments & Complaints**

In Clyde Primary School, we aim to have positive relationships across our school community. However, if you have a comment or complaint about any aspect of school life, please contact the Headteacher in the first instance.

## Curriculum

### Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3 to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence, all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education (BGE). Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Clyde Primary School we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

|                   |                    |                |              |
|-------------------|--------------------|----------------|--------------|
| Expressive Arts   | Health & Wellbeing | Languages      | Mathematics  |
| Religious & Moral | Sciences           | Social Studies | Technologies |

Progress in learning is indicated through curriculum levels as detailed below.

| Level          | Stage                                           |
|----------------|-------------------------------------------------|
| Early          | The pre-school years and P1 or later            |
| First          | To the end of P4, but earlier or later for some |
| Second         | To the end of P7, but earlier or later for some |
| Third & Fourth | S1-S3, but earlier for some                     |

**Expressive arts:** The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

**Health and wellbeing:** Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

Each year pupils participate in Sexual Health and Relationship Education. An information session for parents takes place prior to this part of the curriculum.

**Science:** Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

**Social Studies:** Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

**Religious and moral education:** Religious and moral education includes learning about Christianity, Islam, Judaism and other world religions, and supports the development of beliefs and values.

**Languages:** Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society. Pupils in P5 – P7 begin to learn French and taster sessions in other languages take place throughout the school from time to time.

**Mathematics:** Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

**Technologies:** The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

#### **Religious Observance / Time for Reflection**

Our school is fortunate to have close links with Yoker Parish church and Yoker Evangelical Church. The ministers assist with the Christianity element of Religious and Moral Education and provide opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

#### **Assessment & Reporting**

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in October, February and May. An annual report is given and discussed at the May Parent – Teacher meeting.

If you have any concerns about your child's progress do not hesitate to contact the school.

#### **Pupil Profiles**

Every child leaving primary school in Scotland has their key achievements in school, at home and in the community documented within a P7 profile. The content of the profile is decided by the young person. The profile is a positive

record of their achievements and emphasis their strengths. The profile provides a valuable way for learners to share valuable information about their achievements with their parents and teachers in secondary school.

## **Support for Pupils**

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Headteacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website – at <https://www.glasgow.gov.uk/index.aspx?articleid=18941>

Information on the Glasgow City Councils' Parental Involvement Strategy can also be found at [www.glasgow.gov.uk/index.aspx?articleid=8642](http://www.glasgow.gov.uk/index.aspx?articleid=8642)

## **Nurturing City**

The Glasgow City Council vision 'towards the nurturing city', puts building positive, trusting relationships at the core of our work. We ensure children, young people and families feel they belong, they are listened to and they are valued by embedding the principles of nurture across our early years, primary and secondary establishments. Staff are trained in attachment and nurture which deepens understanding of child development and enhances effective practice by responding to the needs of all children and young people in a consistent and caring way. Nurture is a universal approach which builds resilience, helping to reduce the impact of adversity. Effective communication and collaboration with parents and carers builds an ethos of partnership working putting the child at the centre, fostering high quality learning contexts.

Each of our nurturing establishments contribute to the development of Glasgow as a nurturing city, creating safe environments which allow our children and young people to flourish by raising attainment and promoting positive mental health and wellbeing.

## **School Improvement**

On an annual basis, you will have access to our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

## **Promoting Positive Behaviour**

Children's Rights as outlined in the United Nations Convention on the Rights of the Child (UNCRC) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. The approach within Clyde Primary School is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour. This is celebrated through awards at assemblies and certificates sent home to parents. We operate a "house" system. Pupils are allocated to a house and can earn points for responsible behaviour or good work. This helps pupils to become responsible citizens and build community relationships.

The Head Teacher and School Leadership Team take responsibility for the pastoral support of pupils. Pupils are encouraged to talk to a member of staff if they have any concerns.

The highest standards of behaviour are expected of pupils at all times. Where this is not the case, a variety of sanctions are used. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

## **Home Learning**

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag for communication about home learning and specific tasks. A copy of our home learning policy is available on the website and on request from the school office. (Under review – September 2025)

## **Parent Council**

We have an active and supportive Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on request from the school office.

## **Pupil Council**

Our Pupil Council is made up of representatives from each year group (P3-7). This is an important group which ensures that the views of pupils are heard.

## **Extra-Curricular Activities**

We have a wide range of activities that run between Monday – Friday to extend the learning experience. These currently include multi-sports, dance, choir, table tennis and football. Please check your child's schoolbag for information as places are popular and usually limited.

Good links with community organisations and our Active Schools Co-ordinator are vital for the success of these programmes.

## **Useful Contacts:**

**Parentzone Scotland** is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education.

Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels.
