

CRANHILL PRIMARY

JUNE 2024 NEWSLETTER

Dear Parents, Carers and Friends,

It is frightening how quickly time passes in a school year! I am finding it hard to believe that we are at the start of June with only 3 full weeks left of school this session.

It is the time of the year when transition planning takes place. We have been delighted to welcome our new pupils along to the school for their pre-entrant afternoons. Many of our P7 pupils have already enjoyed their transition visit days while some visits take place later in June.

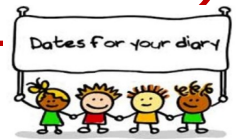

We are delighted to announce the relaunch of our new library which has been newly refurbished. In doing so we have furnished the library, added new texts and created a new community space, as part of our approach to develop a love of reading. This is a great achievement and I would like to say thank everyone involved in the project, especially our new P6 librarians. We are currently awaiting the outcome of our bids for our silver Rights Respecting School award and the Sports Scotland award. If we hear the outcome before the end of June we will let you know.

June is an extremely busy time in the school calendar with lots of fun for our pupils. Sports Day, Leavers Assembly, P7 Leavers Disco, Careers Event, Football and Rounders Competition and Cranhill's Got Talent are all taking place this month.

As always Paul Dignam PT, Stuart Beggs, PT and I are happy to help. No matter what the question or concern please get in touch with us by telephone or email.

Kindest regards,

Alan Young Head Teacher

Annual Reports 2024

Your child's annual report will be issued on Friday 14th June. This will detail your child's progress and achievements this session.

These will be accompanied by a FEEDBACK sheet for you to complete with your child. Please make a note of anything in your child's report which pleases you or any concerns you may have.

Thank you!

Staffing & Classes for Next Year

At this time of year we start working on the class lists for next year. We will pass this information to families as soon as the class lists and staffing details are complete. We are currently awaiting confirmation of our staffing for next session. When we have this we will be able to confirm classes for session 2024-2025.

As you know, Miss Klimowicz is currently on maternity leave but she will return on a part time basis next session. Mrs McGuire will also return from her career break. We will be welcoming 3 new members of staff to our school in August.

Classification is completed as staff and class teachers identify working groups of children. The classification is based around this. Every decision regarding classification is carefully considered, taking into account the school roll, the number of classes and the number of children at each stage. As part of this process we will again have a mixture of straight and composite classes. Should you have any questions or concerns please do not hesitate to contact the school.

A Huge Thank You!

We would like to extend a huge congratulations to the CPS Parent Council and wider school family for supporting our fundraising effort this year. Without your support we wouldn't be able to provide so many wonderful experiences for the children in our school. Here are just a few things the money you have raised this year has gone towards:

- ◇ Christmas Pantomime
- ◇ P7 ties
- ◇ Buses for trips
- ◇ Play equipment for the playground
- ◇ Toys for all pupils
- ◇ Discos DJ's/Crisps and Juice

Thank you so much for your support and kindness. This means such a lot to all of the children in our school.
