

# The Little Church Bell

Song and lyrics

Said the little church bell to the big church bell,  
Oh how will all the people tell  
That I am ringing hard as well,  
On Christmas Day in the morning?

## Chorus

Ding dong ding,  
The bells all sing,  
Tidings of great joy they bring  
That's how all good bells should ring,  
On Christmas Day in the morning.

To you **big bell** it may sound absurd,  
I know I can sing like a little songbird 🐣,  
But I'm afraid that I won't be heard 😞  
On Christmas Day in the morning

## Chorus

Ding dong ding,  
The bells all sing,  
Tidings of great joy they bring  
That's how all good bells should ring,  
On Christmas Day in the morning.

---

Said the big church bell as he winked his eye,  
Though some sing low and some sing high,  
We'll all be heard in the bright blue sky,  
On Christmas Day in the morning.

## Chorus

Ding dong ding,  
The bells all sing,  
Tidings of great joy they bring  
That's how all good bells should ring,  
On Christmas Day in the morning.

Merry  
Christmas!
