

CREATING A ZINE

Start with a piece of A3 paper

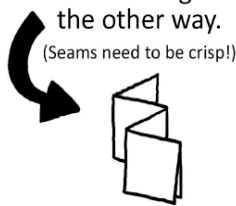

Fold it in half:

And in half again:

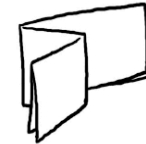

Now make all the folds go the other way.
(Seams need to be crisp!)

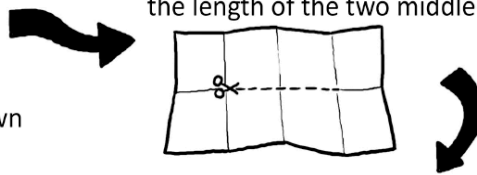

Like this:

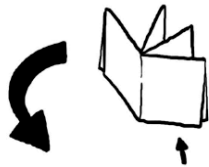

Then fold each side back:

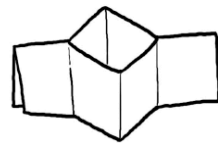

Open the paper back up and cut the length of the two middle seams:

Collapse it down and VOILA!

It should open like this:

Your ZINE has a cover and interior spreads!
It breaks down like this:

- 1) cover
- 2) Story Introduction
- 3) OBstacle
- 4-5) Escalation of Action
- 6) climax
- 7) Resolution
- 8) Back cover

When open, use the flip side to make a poster or activity!
