

TRANSLANGUAGING WORD TOSS

INSTRUCTIONS

1. Choose a range of languages that your participants speak and/or would like to learn.

2. Have them write the language(s) on each panel of a block with a dry-erase marker.

3. Teacher and participants write words on the board phonetically in each language.

Suggestions: “Hello”, “Good-bye”, “Thank you”, “Please” (and anything else that is appropriate and fit for the purpose of the learning session).

4. Stand in a circle and toss the block to each other. When a participant catches the block, they must say the selected phrase in the language facing up on the block.
