Dear Parent/Carer,

We are very happy to welcome you and your child to our school. The next seven years are very important and we are looking forward to sharing this time with you. Cuthbertson Primary School is a warm, caring community where our children are valued. All our pupils are fully supported and challenged to reach their potential and beyond.

At Cuthbertson we encourage our children to adopt a positive working attitude in all areas of the curriculum. Our teachers work hard to develop resilience in our pupils and provide opportunities for the children to understand the world around them. Everything we do in our school is underpinned by our core school values which are Respect, Healthy Roots, Honesty, Equality, Kindness, Fairness and Achieving. We will always endeavour to deliver a high quality service and to work in close partnership with our parents, carers and children.

I would like to reassure all our new Primary 1 families, that we have you at the forefront of our plans and preparations as we look towards re opening our schools, when we are advised it is safe to do so. To help prepare the children, our school will be providing a remote transition programme over the coming weeks. Every Friday, starting from 15th May, you will be able to access our Primary 1 school transition programme on the Cuthbertson Primary School Website. I will be posting letters, information packs, videos, Power Points and activities on the website every Friday to help support a healthy transition from nursery to primary school.
